The Board will be asked to consider a service agreement between the Oroville Mosquito Abatement District (OMAD) and the District. The agreement is for the District to provide surveillance and control services for OMAD. If the Board agrees to the agreement, the Board should consider appointing an Ad Hoc committee to provide direction to the District Manager in terms of negotiating the costs the District will seek for providing services for OMAD. The agreement has been reviewed by the District's legal counsel.

The Board will be asked to consider an administrative services agreement with SCI Consulting Group. SCI Consulting Group is the group that assisted the District with the passage of the Prop 218 Special Benefit Assessment and who has been conducting services since 2014. The scope of work includes confirmation of District parcels and levy calculations, update the District's Engineer's Report as necessary, levy re-calculation, re-verification and submittal of the Assessment Roll, responding to public inquiries and appeals, and defense and support of the assessments. The costs of the three-year term are included in the quote. The District Manager strongly recommends renewing SCI's contract.

The Board will be asked to consider a special service expenditure not to exceed \$16,000.00 for the cost of Ron O'Hanlon and Associates to provide aerial photography and GIS mapping of un-maintained swimming pools and other suspect mosquito-breeding sources in Butte County and Hamilton City.
